

Haven

Design by Mark Gabbertas

Haven can provide excellent personal privacy, a haven, within a busy world. A place for either quiet contemplation or communication and collaboration amongst an effective team.

Design  
Mark Gabbertas

Mark Gabbertas is a furniture designer with a different perspective. After ten years in advertising, he trained and worked as a cabinet maker, before establishing the Gabbertas Studio in 2001. The intent is

to create character through simplicity via the rigorous pursuit of designs that have both an elegance and a lasting aesthetic... it is all too easy to shock, but much more difficult to please.
